IF YOU WANT TO
**BE PART OF A
GREAT TEAM**

At 3D we value our volunteers and could not do the work that we do without you. We want you to get the most out of volunteering with us while you learn new skills and gain experience of working with children and families. We will provide you with regular support, supervision and free training opportunities.

Through volunteering at the creche I have gained experience working with pre-school children and now have the confidence to apply for further courses and employment

I enjoy helping out at the drop-in once a week as it gives me the opportunity to meet and support different families
